Welcome to 2019!

It's a new year and there are some new and upcoming changes coming at River View Veterinary Service! Read on for more:

We have a new online pharmacy for cattle! The "Pharm Store" is available immediately to order medications, vaccinations, and supplies for your herd. They will ship to your door! Access to the online store can be made through the store link on our website (www.riverviewvets.com) or by visiting <https://riverviewvets.mypfarmstoreonline.com/>. Happy shopping!

Have you heard the news? We're expanding! Thanks to the support of our clients, we have outgrown our current clinic site. We will be starting the building process later this spring. We are excited about the possibilities this brings! Ask us about it when you see us next!

Having a hard time reaching the clinic via phone? Due to the increased phone traffic, we've been experiencing trouble getting through our phones. Feel free to email us (rvvscustomerservice@gmail.com) or text us at the same email account to reach us! During the day, that account is regularly checked. In the event of an emergency during the day, call our fax line at 309.848.9094. After hours, continue to call the main number (309.848.9093) and select option 4 for emergencies.

We are also excited to have Dr. Diane Noll joining the team! She hails from Le Claire, Iowa. She has been in practice for several years in Burlington, Iowa, where she recently sold her practice. She is fluent in equine, cattle, and small animal medicine. Stop by and introduce yourself!

As a reminder, Calving School and BQA discussion will be happening on January 17th! RSVP no later than January 12! Bring your questions! We hope to see you there!
